TC 1700

Sir:

Prior to the first Office Action in this application, applicants would like to
amend this application as follows:

In The Specification

In the specification on page 4, delete the first paragraph and insert the
following paragraph. A marked-up copy of the Specification showing these
amendments is enclosed.

- - The shuttle blow molding apparatus of the present invention also
includes apparatus for moving each mold set, in sequence, to an elevated
position in which it grasps a length of extruded tube and then outwardly in a first
transverse direction and downwardly to permit the other mold set to engage
